6. Area Team Members Reports –available on Area Website from 20th March
7. Elections and Appointments
8. Open Forum
9. Concluding remarks by Tony

Lunch at 13.00hrs

Up to three members from each Society are encouraged to attend and will be very welcome.

Area Meetings of Societies are very important to NADFAS. They are the means by which your views of NADFAS, its operations, facilities and support can be commented on and discussed so that the Area Chairman can represent your views at Area Chairmen's Forums and Advisory Council meetings at NADFAS House. They are also the means of meeting Trustees and discovering what other Societies are doing, with a view to adopting best practice, and introducing new Committee, or other interested members, to the wider aspects of NADFAS membership and Area support. I do hope that you will try to send your three representatives to our meeting.

Please send planned attendance – DFAS names, committee roles (if any) and any special dietary requirements by **Monday 20th March** to the Chairman of Weybridge DFAS, Richard Stocks, at chairman@weybridgedfas.org.uk, and copy to the West Surrey Area Secretary, Maggie Johnson at maggie@old-forge.co.uk, Tel: 01252 711539 or mobile 07875 021397
